

FISCAL NOTE

SB 2138 - HB 2090

January 26, 1998

SUMMARY OF BILL: Provides that, in determining whether a probation violation has occurred, the court may rely upon a certified laboratory report as to the chemical composition of the substance in lieu of live testimony of laboratory technician who performed the test.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures - not significant

Such testimony is seldom requested.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
